T. Rowe Price Retirement 2015 Fund	Investment Objective & Strategy
	The investment seeks the highest total return over time consistent with an emphasis on both capital growth and income. The fund invests in a diversified portfolio of other T. Rowe Price stock and bond mutual funds that represent various asset classes and sectors. Its allocation among T. Rowe Price mutual funds will change over time in relation to its target retirement date. The fund is managed based on the specific retirement year (target date 2015) included in its name and assumes a retirement age of 65.
Fund Investment Expense as of 04/30/2022	Risk and Return Profile
Gross: 0.51% Net: 0.51%	This investment option may be most appropriate for someone willing to take some risk to achieve higher potential returns but also seeking income as a secondary objective. The investor may be in or approaching retirement or may prefer to take less risk than other investors. Investors choosing this option want to invest in a mixture of diverse investments suiting their needs but may not have the time, desire, or knowledge to select and manage their own portfolios. The date in a target date fund's name represents an approximate date when an investor is expected to retire (which is assumed to be at age 65) and/or begins withdrawing money. The principal value of the funds is not guaranteed at any time, including the target date. Asset allocation and balanced investment options and models are subject to the risks of the underlying funds, which can be a mix of stocks/stock funds and bonds/bond funds.

**Investing involves risk, including possible loss of principal.**

If you do not direct the investment of your account, your account will be invested in a Plan QDIA as determined by the Plan Administrator or other designated Plan investment fiduciary.

Participant accounts are directed into a Plan QDIA based on information reflected in the Plan's records at the time of default, including but not limited to the normal retirement age specified in the Plan, a participant's date of birth and the risk profile for the account determined by the Plan fiduciary, as applicable. You should contact the Plan Administrator to make sure the indicative information for your account, including your date of birth, is accurately reflected in the Plan's records.

In the event your account information changes (e.g., the Plan is provided with an updated date of birth), the Plan fiduciary may direct the investment of your future contributions into a different Plan QDIA based on the updated information. Please note that your existing account balance will remain invested in the QDIA designated by the Plan fiduciary at the time of the initial default unless and until you provide investment direction for your account, or as instructed by the Plan fiduciary.

Should you have further questions regarding the Plan fiduciary's QDIA investment fund selection process for your account, please contact your Plan Administrator.

More detailed information about the investment funds may be available in the prospectus, if applicable, which you can get by logging onto the Plan web site. In addition, you can find out more about the Plan in other documents, including the Plan's Summary Plan Description (SPD) and any Summary of Material Modifications (SMM).

You can change how your Plan account is invested, among the Plan's offered investment funds, by either:

- logging onto the web site [empowermyretirement.com](http://empowermyretirement.com) and following the online instructions, or
- by accessing your account using the automated phone system 1-800-338-4015.

To learn more about the Plan's investment funds and procedures for changing how your Plan account is invested you can call 1-800-338-4015 or visit [empowermyretirement.com](http://empowermyretirement.com). Also, you can contact your employer's Plan Administrator.

**Please consider the investment objectives, risks, fees and expenses carefully before investing. The prospectus contains this and other information about the investment options. Depending on the investment options offered in your plan, your registered representative can provide you with prospectuses for any mutual funds; any applicable annuity contracts and the annuity's underlying funds; and/or disclosure documents for investment options exempt from SEC registration. Please read them carefully before investing.**
